NEW WAREHOUSE UPDATE

The New Warehouse was the site for EHP's Santa's Workshop in December where Santa's elves (aka our wonderful volunteers & EHP staff) distributed toys, gift cards, coats, accessories, sundries, stockings and other holiday goodies. The extra lot provided plenty of parking spaces, easing traffic congestion on Pulgas Ave. We want to thank everyone who contributed to our Capital Campaign so we could make necessary repairs including replacement of 3 rolling doors & the roof. But more work is needed ahead. Up Next: Exterior Painting to prevent water seepage/damage & parking lot repairs.
