To the Board of Directors of
Ecumenical Hunger Program
East Palo Alto, California

We have audited the accompanying statement of financial position of Ecumenical Hunger Program as of June 30, 2016, and the related statements of activities and changes in net assets, functional revenue and expense for the year then ended and cash flows for the year ended June 30, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevance to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ecumenical Hunger Program as of June 30, 2016 and the changes in its net assets, functional revenue and expense for the year then ended and its cash flows for the year ended June 30, 2016 in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Ecumenical Hunger Program's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 20, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

ECUMENICAL HUNGER PROGRAM
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

NOTE 1: ORGANIZATION

The Ecumenical Hunger Program (the Organization) is a non-profit public benefit corporation which was founded February 16, 1978 to channel food and resources to families experiencing hunger or poverty in the communities of East Palo Alto, Palo Alto and Menlo Park, California. The Organization works with families to eliminate their hunger and to break the cycle of poverty. The Organization provides food, clothing, household essentials, social advocacy and referral services. By providing its programs with compassion and respect, the Organization promotes the personal dignity of those it serves while encouraging self-reliance.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization follows standards of accounting and financial reporting for voluntary health and welfare organizations as prescribed by the American Institute of Certified Public Accountants. In accordance with FASB ASC subtopic 958-205-05-6, the Organization reports its financial position and operating activities in three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

- Unrestricted net assets include those assets over which the Board of Directors has discretionary control in carrying out the operations of EHP. Under this category, the Organization maintains an Operating and Property and Equipment Fund. Any net assets designated by the Board for specific purposes would also be categorized as unrestricted net assets. The Organization has elected to report as an increase in unrestricted net assets any restricted revenue received in the current period for which the restrictions have been met in the current period.
- Temporarily Restricted Net Assets include those assets which are subject to a donor restriction and for which the applicable restriction was not met as of the end of the current reporting period. There were no Temporarily Restricted Net Assets as of year end.
- Permanently restricted net assets includes assets which are subject to a non-expiring donor restriction such as a donor restricted endowment fund. The Organization does not currently have an Endowment Fund.

Revenue Recognition is in accord with the accrual basis of accounting. Grant revenue and program fees are recognized as revenue in the period in which the service is provided.

Cash and Cash Equivalents include highly liquid investments and those investments with a maturity of three months or less.

FOR THE YEAR ENDED JUNE 30, 2016

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Investments consist of Certificates of Deposit held by Comerica. The CD's are valued at fair market value with the net change recorded as unrealized gain or loss. Investments received through donations are recorded at their fair market value and in accordance with Board policy are generally sold upon receipt.

Contributions are recorded when cash is received and are considered to be available for unrestricted use unless specifically restricted by the donor.

Furniture and Equipment with a useful life of three or more years and a cost or value in excess of \$1,000 is recorded at cost or, if contributed, at the estimated fair market value when donated. Depreciation is computed using the straight-line method over the assets' estimated useful lives ranging from three to thirty-nine years. Depreciation is charged to the activity benefiting from the use of the property or equipment.

Functional Expenses have been allocated between Program Services and Supporting Services based on an analysis of personnel time and space utilized.

Income Taxes are not provided for in the financial statements since the Organization is exempt from federal and state income taxes under section 501(c)(3) of the Internal Revenue Code and Section 23701D of the Revenue and Taxation Code of California. EHP has not been classified as a private foundation.

NOTE 3: CONCENTRATION OF CREDIT RISK

The Organization maintains cash balances at financial institutions in excess of the standard FDIC coverage limit of \$250,000. At June 30, 2016, the Organization has \$94,396 of uninsured cash balances.

NOTE 4: SIMPLE IRA PLAN

During the fiscal year ended 2010, EHP started a Simple IRA Plan. For employees to qualify they need to earn a minimum of \$5,000 and work for one full year. Employees can contribute to the plan by making Elective Deferrals from January through December. EHP has chosen nonelective contributions of 2% of compensation to be contributed on behalf of the employee. Total amount contributed for the year ended June 30, 2016 was \$9,357 and for the year ended June 30, 2015 was \$3,296.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016

NOTE 5: CONTRIBUTIONS IN-KIND

Contributions In-Kind are recorded at their estimated fair market values as of the date of donation. During the current period, the Organization received volunteer professional services valued at \$13,132. Services were valued based on the number of hours provided multiplied by the hourly rate which would have had to have been paid had these services not been contributed. The Organization pays for most services requiring specific expertise. However, individuals volunteer their time and perform a variety of tasks that assist the Organization with its specific assistance programs and various committee assignments. The Organization received 12,230 volunteer hours for the year ended June 30, 2016 which valued at \$10 per hour would amount to \$122,300. The Organization also received \$2,806,253 of contributed supplies, which were valued at an estimated value for a typical food, toy or clothing donation.

During the current period, the Board reviewed and approved payments to the sister-in-law of the Executive Director for fund raising services and to the daughter of the bookkeeper for adult resources.
