

ECUMENICAL HUNGER PROGRAM Thanksgiving Distribution

Our families desperately need your help. Families already struggling have been blindsided by COVID-19, threatening not only their health but also their livelihood. These families are food insecure and struggling to survive. Your generosity can make all the difference and you can become a safety-net for a neighbor-in-need this holiday season.

In order to have a socially distanced distribution that will protect our staff, clients and donors, we are asking for monetary and gift card donations to ensure a safe and simple holiday distribution, and to allow our families the ability to shop safely online. But we are always happy to accept new in-kind donations. Please refer to the Thanksgiving food wish list below.
